# TWO TO TANGLE

Being in the SanFernando Valley can get awfully hot. Nikki's waiting for her girlfriend, Sophia, to come over so they can cool off... Wait... She's here now so they're just going to hang out a little first. They'll take off their beautiful lingerie and then pull their bras and panties aside to lick pussy. Fortunately for us, they're great pussy-princesses.

# BANG! BANG! BANG!

I know I was noisy, but my neighbor showed me it was okay

Speaking of hot, let me tell you about last Saturday night. I had made plans with my girlfriend Lourdes to go clubbing. However, earlier in the day, Lourdes called me to cancel. She hit me with some excuse about her mom being sick, but I figured she just wanted to spend some time with this new guy she was seeing. She was always telling me about how awesome his cock was, how it always found her g-spot, and how she was having the best orgasms of her life. That lucky bitch... I love her though, so I accepted her excuse and decided to go out later by myself. You never know what might happen!

Later that evening I was combing through my closet looking for just the right outfit, something that said, "Yes, there's a good chance I'd like you to take me home with you, AND I'm going to make you work for it." I'd pumped up a little rock-n-roll on my stereo to help get me in the mood.

After trying on six different outfits, nothing had the vibe I was looking for. Frustrated, I sat down on the couch right next to one of the speakers listening to the music while I awaited divine inspiration.

All of a sudden, I remembered movie scene where a girl sits on a speaker with the bass pumped up. The vibrations get the girl so twisted that she cums right on the speaker! The next thing I knew I was at the stereo fiddlin' with the bass knob, turning it to HIGH. Thump! Thump! I hoped my downstairs neighbors were out as I took a speaker from its enclosure, placed it on the ground, and straddled it. Sure enough, the bass was pulsing right into my pussy and making my clit tingle. I shuddered and wasted no time sliding a hand inside my red panties to soothe what was tingling inside.

New, naughty experiences always get me wet with

a quickness, and my speaker ride was no exception. My fingers toyed with my labia, pulling and teasing them oh so sensually. Soon, my clit was crying out for attention, and my pussy was begging to be filled with something, but I was in no rush. My free hand reached up and pulled one of my breasts from my bra, my nipple hard and plump. Rhythmically, I massaged my titty, pinched my nipple, and diddled my pussy lips, all in unison with the bass that was now threatening to vibrate me apart. I wondered how many women had actually tried this, finally succumbing to my desire and wantonly slipping my middle finger deep inside my wetness while my moistened thumb encircled my engorged clitty.

I was drifting into a pornographic fantasy about grinding hot and heavy with a hot player at the club. His throbbing meat pressing into me, his tongue darting in, out, and around my ear, my hands clawing into his back holding on for dear life. Absent-mindedly, I groped for the volume knob and turned up the stereo. I freed my other boob from my bra and skillfully took my nipple between my lips, sucking gently and flicking my tongue over the tip. Then I allowed another finger to join the party in my pussy, enjoying the extra thickness. Now, the player was locking the door of the bathroom and lifting me up onto the counter. Magically, his pants were around his ankles as, in one motion, he spread my legs and buried his impressive member deep inside me. I moaned loudly, and in my fantasy I begged the player to fuck me harder...

### **BANG! BANG! BANG!**

I was rudely jarred from my ribaldry by a series of aggravated knocks at my front door. Reality returned and I quickly turned down the stereo and ran to the bedroom for a robe. I popped my boobs back into their enclosure and ran a brush through my hair a few times.

### **BANG! BANG! BANG!**

“Fuck,” I thought. “They must have been home downstairs. I hope there’s some way I can explain this.”

I forced a smile and opened the door. To my surprise, it wasn’t one of my downstairs neighbors as I was expecting. It was someone I’d never seen before, a beautiful specimen of a man who introduced himself as my new neighbor two doors down. I stammered

out an apology, something about setting the mood for my upcoming evening out. He explained that he was a med student and that he was studying for a big exam. I could tell he was pissed off, and still flustered and not wanting to have bad blood so close by I asked him if he wanted to come in for a cup of coffee.

To my surprise he accepted, saying that he was just thinking about making some himself. Relieved, I led him into my apartment. As we crossed through the living room into the kitchen I saw him eye the speaker on the ground and curiously sniff the air. “Oh shit,”

I thought, figuring he was probably catching a whiff of my aromatic pussy juices. And, in my rush to get the door, I had forgotten to wash my hands. I moved quickly into the cramped kitchen to wash my hands and prepare the coffee.

He introduced himself as Aaron and we made small talk about the apartment building, the weather, and his studies while we waited for the coffee to brew. I kept catching Aaron’s eyes drifting to the opening in my robe that exposed my cleavage, though I’m sure he thought he was being sly. My hormones were still in overdrive and pussy was still wet, and given my recent fantasy I enjoyed his “extra” attention. I

squeezed past him to get a couple of mugs. As I did, I accidentally brushed my tits up against his chest, catching my robe and opening it, further exposing my breasts. His eyes didn't miss a beat, widening as they clearly enjoyed the view. I looked back at Aaron and smiled, nonchalantly fixing my robe. Out of the corner of my eye, I noticed a little extra bulge in the crotch of his jeans. I grabbed the mugs in one hand, and as I passed by my new neighbor I let my other hand trail innocently across his hardening cock.

"Oh, excuse me," I said, setting the mugs down on the

table and flipping my hair. His attention now locked, his eyes gleamed, seemingly waiting for me to make the next move. A surge of energy flew through me.

I stepped closer to Aaron, simultaneously firmly placing a hand on his cock and whispering in his ear my real reasons for the loud bass. As I spoke I traced his hardness with my fingers, figuring he'd either tell me to fuck off or fuck me. Either way, I was on sexual auto-pilot and couldn't stop myself. To my immense pleasure Aaron responded by pulling open my robe and dropping it to the ground. The sight of my lingerie-clad body was making his cock pulse in my hand. The whole situation had me so horny I didn't waste

any time in liberating him from all obstructions to his sweet meat.

My hand latched onto his fuck stick and pumped it vigorously. All I could think of was Aaron cumming deep inside me. He must have had the same idea. In one slick move Aaron spun me around, pulled off my panties, and lifted me up onto the kitchen table. I reached back and undid the clasp on my bra, my breasts spilling forth in a glorious display. Aaron helped himself to one, and I grabbed his cock and pulled it toward my pussy, rubbing his cockhead against my labia.

“Fuck me, now!” I commanded, pulling him further into me. Aaron silently agreed by plunging himself

further into a state of ecstasy. He held himself inside me for a couple seconds, and then continued pounding my pussy. In a flash, my orgasm rocketed through me, my sex quivering and convulsing, squeezing Aaron’s cock for all it had.

That was all it took for him. Moaning, he exploded inside me, filling my pussy with his seed. He pulled me to him tightly, and together we basked in orgasmic aftershock, tremoring until we’d finished our cumming. Well, needless to say I didn’t make it to the club that evening and Aaron didn’t get much more studying done.

We enjoyed a cup of coffee, and then ravaged each other on my couch, my bed, and in my shower. Later,

inside me. I sighed loudly as his cock buried itself to the hilt in my sopping pussy. Aaron took me by the hips and began fucking me with wild abandon, my boobs flopping all over the place. I dropped a hand downward and zeroed in on my hard clitty, fingering it like there was no tomorrow.

Breathlessly I moaned, “I want you to fill me with your cum, and I want it now.” Aaron grunted and pumped me deeper, gyrating his hips and sending me

I told him that he had fortuitous timing and that I wasn’t looking for anything serious. Aaron smiled and nodded in agreement as he sipped his brew. He told me that anytime I wanted a friendly visit to crank the bass and summon him, kinda like that Spider-Dude... with an erection.

So if this story has a moral, it’s be kind to your neighbors – you never know when you might need a helping hand...er...cock!

I dream of you watching me fuck and suck someone. I bet you get hard just thinking it. Then you would have to do something about it and I would be there just to help you. I would take your hand away from your cock and replace it with mine, and then with my mouth, and then with my pussy. And your huge cock would be deep inside me and I'd be screaming to make me cum, and you did.

**ALEXIS TEXAS**

# RIDE 'EM COWGIRL

It's not easy being a pool boy, even when you're hung like a horse and as handsome as a movie actor. The work is hard and sweaty, and you usually end up with sunburn. Alexis always appreciates extra service. He starts by servicing her juicy, pink slit, sucking her pulsing love nub until she cums on his scruffy face. But James can't keep his hands off Alexis's amazing ass, and when she bends over and presents herself to him, he nearly pops off into the pool water. Get a grip on yourself and slide inside that pussy!

# GIRLS ON FIRE

We're not cheaters. We're just having fun. Men don't usually consider it cheating if we girls play with each other. It's different when it's with another guy. That's cheating. But if you get him to join in a three-way with your girlfriend, then you can have the best of both worlds. We say you should go for it.
